APPLICANT'S AFFIRMATION & AGREEMENT: I affirm that I have read and understand, and that I have agreed to and I am bound by all WDRA rules, regulations and agreements including, but not limited to, those contained in the applicable WDRA Rulebook. I know that the WDRA Rulebook, including amendments, is available to me online. I agree that participation in any and every aspect of the sport of drag racing is a privilege, not a right, and I wish to participate in accordance with all of the foregoing. I further affirm all of the following: Drag racing is a dangerous sport. There is no such thing as a guaranteed safe drag race. Drag racing always carries with it the risk of serious injury or death in any number of ways. This risk will always exist no matter how much everyone connected with drag racing tries to make our sport safer. Although WDRA works to promote and enhance the safety of the sport, there are no guarantees that such safety measures will ensure my safety. I as the participant always have the responsibility for my own safety, and by participating in drag racing, I am accepting all risks of injury, whether due to negligence, vehicle failure, or otherwise. If at any time I do not accept these risks, I will not participate in drag racing. I understand the WDRA Competition license is issued solely for participation in drag racing on WDRA Member Tracks
